PROMOTERS

Mr BM Kaushik, promoter of the company, is a graduate from Rohtak University, having a vast experience of 10 years in handling cargo and all India operation. He has a rich experience and knowledge to handle excise, state taxes and toll taxes. The company has a force of 250 workers who work for 24x7 round the year - across the country.

Vijay Bharat logistics have 35 branches covering all the metropolitan cities and major industrial towns. Other than this, we deliver at more than 500 locations.

FLEET

The company owns & attached more than a 300 vehicles of assorted sizes and capacities which are designed to pick & delivered emergency loads.

These vehicles run on the national routes such as Delhi -Chennai, Delhi - Bangalore, Delhi Pune, Delhi -Mumbai, Delhi -Ahemdabad.

Despite all the problems faced while delivering, we make time - bound deliveries. For example, 95% of our vehicles cover the Delhi -Chennai route within 72 hours. That's why we are appreciated by our customers.

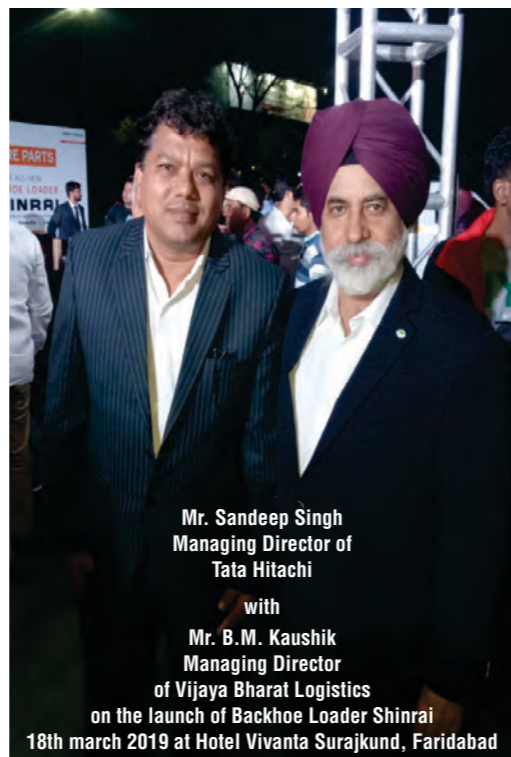

OUR TEAM

We have a team of young MBA boys who have done MBA who have been trained further in Sales and marketing, operations, finance, admin, human relations, accounts and IT support activity

They have been trained regularly and are sent for seminars and exhibitions for further training in their related fields. During the training , we focus on the development of innovative thinking of the employe in safety of material , man, property and equipments
